

Tell Me Lies A thrilling, sexy coming-of-age story exploring toxic love, ruthless ambition, and shocking betrayal, Tell Me Lies is about that one person who still haunts youâ€™the other one. The wrong one. The one you couldnâ€™t let go of. The one youâ€™ll never forget. Lucy Albright is far from her Long Island upbringing. A thrilling, sexy coming-of-age story exploring toxic love, ruthless ambition, and shocking betrayal, Tell Me Lies is about that one person who still haunts youâ€™the other one. The wrong one. The one you couldnâ€™t let go of. The one youâ€™ll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college, and happy to be hundreds of miles from her mother, whom sheâ€™s never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offerâ€™new friends, wild parties, stimulating classes. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and sheâ€™s quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucyâ€™s heart. Alternating between Lucyâ€™s and Stephenâ€™s voices, Tell Me Lies follows their connection through college and post-college life in New York City. Deep down, Lucy knows she has to acknowledge the truth about Stephen. But before she can free herself from this addicting entanglement, she must confront and heal her relationship with her motherâ€™or risk losing herself in a delusion about what it truly means to love. With the psychological insight and biting wit of Luckiest Girl Alive, and the yearning ambitions and desires of Sweetbitter, this keenly intelligent and staggeringly resonant novel chronicles the exhilaration and dilemmas of young adulthood, and the difficulty of letting go, even when you know you should. ...more Tell Me Lies PDF ebook
